### 1. INTRODUCTION

Composition 1 is designed to help students write effective paragraphs and produce short essays. The course focuses on writing fundamentals such as grammar, punctuation, sentence construction, clarity, and coherence, as well as paragraph development and organization, leading to a short essay. We examine basic paragraph types, which may include narrative, description, comparison-contrast, and process, and write paragraph and essay length assignments that reflect these rhetorical purposes. The course is recommended for students preparing for the IELTS, TOEFL and TOEIC writing tests.

## 2. Course Objectives

- (1) Notice English pronunciation, intonation and stress patterns and practice speaking more clearly. (related to P07)
- (2) Speak more confidently and with less hesitation by repeatedly speaking English in pairs, groups and whole-class activities. (related to P07)
- (3) Use appropriate vocabulary and grammar to express their ideas about the course topics. (related to P07)
- (4) Follow the steps in the writing process. (related to P07)

### 3. Class types and activities

Students will develop their writing skills through understanding writing practices to develop an academic paragraph. Students will learn how to write essays through task development, logic, vocabulary and grammar. Students will produce team essays and individual essays.
